

TOWN OF BRULE
RECYCLING INFORMATION

The following articles are recyclable in our town:

- Food tins or cans – Please wash and rinse, cut out ends and flatten. Those that have rounded bottoms such as tuna or soup cans may be left intact.
- Aluminum cans – You may crush them if you wish to save space, but it is not necessary.
- Glass – All glass except white ceramic bottles, dishes, light bulbs or fluorescent bulbs are acceptable.
- Plastics – All plastics are recyclable. Please rinse them, discard caps and any rings that may be on the necks.
- Magazines, catalogs, colored newspaper inserts and newspapers – Place in brown grocery bags.
- Cardboard boxes – Take out any staples and flatten. If there are no staples, you may bring them intact.

Furniture and mattresses must be taken to the City of Superior landfill where they will discard them for a small fee. If you are buying new furniture, ask the company if they will pick up your old furniture. All other garbage should be in boxes or plastic bags and taken to the garbage dumpster at the dump site. The attendant will help carry and can answer any questions. Below is a fee schedule for recycling. Please pay the attendant for items as listed.

FREE: Computer towers, laptops, computer related hardware, cell phones, bag phones, cable boxes, video game consoles, PDAs, electric cords, power supplies, chargers, electronic boards, DVR units, TIVO units, satellite receivers, GPS units, computer servers, microwaves, lead acid batteries.
